Students: Please respond to each item, then sign below. Attach additional pages as needed.

1. Projects evolve as we work on them. How do you see/define/explain your project at this point in the semester? How (if at all) has it changed from your initial proposal?

2. What do you plan to do to see your project through to completion between now and the end of the semester? (specific dates and personal deadlines encouraged)

3. How can your project mentor(s) or the Writing Certificate program help you meet your goals related to your project?

4. Please write any additional comments, questions, or concerns you have about your experience and/or working with your mentor(s).

Mentors: Please write a sentence or two about how you feel the project is progressing, then sign below.
